SURVIVE OR LIVE?

The MBA is one of the most competitive, high-stakes environments of your career. Your home shouldn't be another source of stress - it should be your edge.

WHY WHERE YOU LIVE MATTERS

The ROI of a Livable Space

68%

of top MBA recruiters say they evaluate candidate presence and polish-starting with how they present themselves at home.

3.2×

MBA students with comfortable study environments report 3.2× more successful study group sessions and stronger peer networks.

78%

of MBA students say their living space influences their mindset and presence during recruiting.

87%

of MBA graduates cite their living environment as a key factor in overall emotional wellbeing during the program.

Invest in your space. Invest in your success.
